T 617.217.5228 F 617.217.5200 E npanjian@cetllp.com

Practice Areas

Asbestos Litigation
Catastrophic Personal Injury
Toxic Tort Litigation

OVERVIEW

Nicole M. Panjian focuses her legal nurse consulting on asbestos litigation and personal injury cases. In her role, Nicole assists in the evaluation of cases, collection of medical records, and selection and retention of expert witnesses. Nicole has extensive experience in formulating medical defenses and working with attorneys to present medical defense strategies.

EDUCATION

- A.S., Nursing, Laboure College, 2013
- B.S., Psychology, Bridgewater State University, 2004

OUTSIDE CETRULO

When away from the office, Nicole enjoys visiting museums, libraries, and educational venues with her husband Corey and two young children, Alexander and Oliva.

When she gets an evening out she loves exploring the Boston restaurant scene, going to sporting events and concerts. She is an avid Boston sports fan and loves to play tennis.
