OVERVIEW

With over six years of experience as a paralegal, Shannen has developed a comprehensive skill set in managing complex legal matters for a wide range of clients, specializing not only in litigation matters but also products liability, toxic torts, business disputes, contract litigation, and regulatory issues. Shannen is known for her sharp attention to detail, analytical thinking, and dedication to providing effective, results-driven support to attorneys and clients alike.

Shannen has assisted in all phases of litigation from pre-trial discovery and document management to trial preparation and post-trial motions. She is proficient in drafting legal documents, conducting in-depth legal research, e-discovery, coordinating with experts, and supporting attorneys in all types of litigation cases. Shannen also excels in maintaining strong communication with clients, managing case timelines, and ensuring all procedural requirements are met efficiently.

Dedicated to maintaining the highest standards of professionalism, Shannen is a firm believer in continuous professional development and stays on top of the latest legal trends and best practices to deliver exceptional service to clients.

EDUCATION
